Subject: START off-site hours approved for [____]

The screener is demobing next week so I need [Nonresponsive based on revised scope] on screening all day tomorrow

Pixie dust ops start next Tuesday and for that I need an updated windrow map

Therefore I approve up to 4 offsite hours for [____] to work in the windrow map this weekend.

[____] I do not need the weight of each bucket, just the weight of each segment

Please contact me with any questions
Thank you
Chris
